I sent out a calendar invite for tomorrow at 3 pm since it looks like Guy is available then. Guy has a van pool at 4pm so the meeting will definitely only last an hour.

We are. I actually just talked to Tricia about the status of the development of our work product. I have a limited window of time tomorrow. I could do any time after 3. That work?

Stuart,

I know that Will is out this week on vacation, but EPA would like to have a call with you this week on logistics for the AR RH SIP for NOx CSAPR better than BART. Guy is off Friday so tomorrow (Thursday) would work best. Are you and your staff available tomorrow?

Thanks,
Barbara
